NOTES

Six different Square Motifs are used for Wrap shown; work as given, or mix and match as desired.

Motifs are joined as-you-go in the instructions given below; if changing the arrangement of the Motifs, work Rounds 1 – 3 (4) – in other words, do not work the last (joining) round of the Square Motifs. Lay Squares on a flat surface, in desired arrangement, then work the last round of the Squares, joining as you go.

Alternately – for a take-along project, work all Square Motifs without joining. Lay out in the desired arrangement, and sew together.

The size of the wrap is easily adjusted; to make it shorter, use less Squares. If making longer, you may need to purchase additional yarn.

Corkscrew fringe is optional, and is included in yarn requirements.

Join all rounds with a slip st in st noted.
