Materials

- J&P Coats Royale Fashion 3 Crochet Thread (100% mercerized cotton, 150 yard balls): 9, 10, 10, 11, 13, 14, 15 balls (or approx. 1350, 1425, 1500, 1650, 1815, 2000, 2200 yards)
- Suggested Hook sizes: 3.25mm [D-3] (small), 3.5mm [E-4] (medium) and and 3.75mm [US F-5] (large)
- 4 split-ring plastic stitch markers (or small contrasting pieces of yarn)
- Needle (for weaving ends)
- One box 6/0 round glass seed beads in coordinating color (approximately 688 seed beads per box)
- Suggested: small candle and lighting implement

To fit underbust measurements of 36", 38", 40", 42", 44", 46" and 48".

Finished garment chest sizes The instructions assume a bra cup size of C-D which makes the approximate finished chest sizes 40", 42", 44", 46", 48", 50" and 52". Alterations for a smaller or larger cup size are included.

Ease The bodice of this garment has no ease, meaning that it is intended to be actual body size when finished.

Make A Swatch With medium hook, ch 20, sc in second ch from hook and each rem ch, turn—19 sc. * Ch 1, sc in each sc across, turn, rep from * until 23 rows have been completed from beg. Swatch should measure 4" square. Rep as needed using different hooks until the required gauge is reached.

Notes Please read accompanying tutorial documentation for more information about this design and how to make alterations to fit each individual. Each body is different and I have provided information to help with changes you would like to make. The fit of this garment is intended to be different than most crochet garments currently available. Because of its uniqueness, I felt the need to provide more information to ensure you get the fit you need. There are details in this pattern which I haven't seen in patterns for decades. Certain details of garment design were removed from patterns to keep them short for publication and then forgotten as time went on. Return to my website here, if you didn't get the tutorial: <http://wp.me/p67Nk8-II>

Special Stitches

Bead Single Crochet (Bsc): Pull up a bead close to your work, move yarn to front of your crochet hook, position bead in front of your work with your non-hook hand, move yarn to back of your crochet hook, still holding the bead in position with your non-hook hand, insert your hook into the single crochet as you would normally and complete your single crochet. <http://www.youtube.com/watch?v=tTo2KpEuS4M>

Single Crochet 2 Together (sc2tog), also known as a Decrease Single Crochet: insert hook in indicated sc, yo, draw up a lp, insert hook in next sc, yo, draw up a lp, yo, draw through 3 lps on hook.

Reverse Single Crochet (rev sc): This stitch is exactly like a regular single crochet except for one difference. The difference is that it you position your stitch differently than you would normally. If you are right-handed, you will insert your hook in the next stitch to the right (instead of left). If you are left-handed, you will insert your hook in the next stitch to the left. Yarn over and pull up a loop. Make sure to pull up the loop high enough so that you can complete your single crochet normally. The difficulty with this stitch isn't that the stitch is worked in the opposite direction, it is that the loop isn't pulled high enough to make the stitch comfortable.

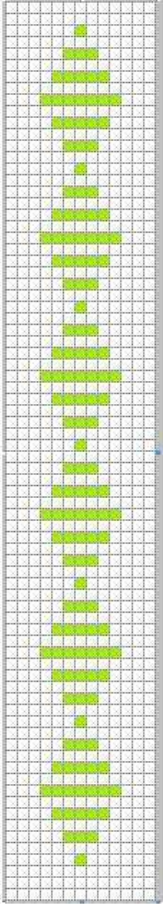

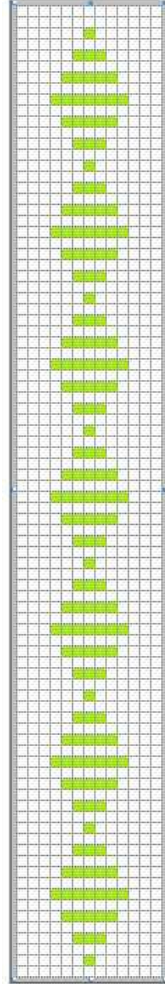

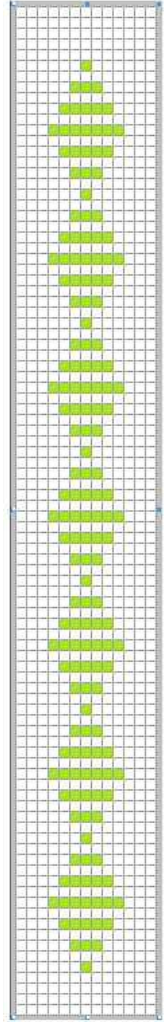

Beaded Waistband

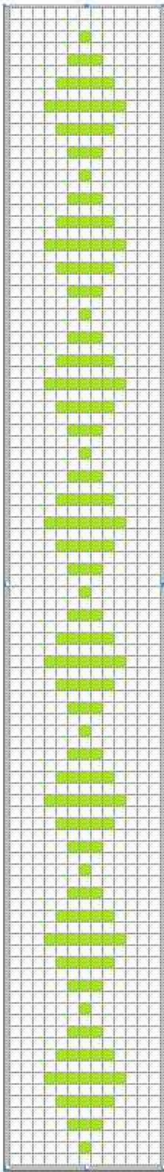

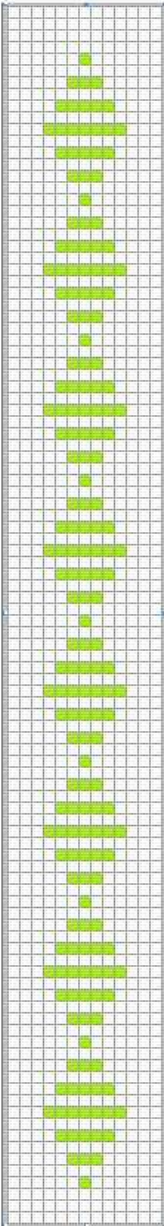

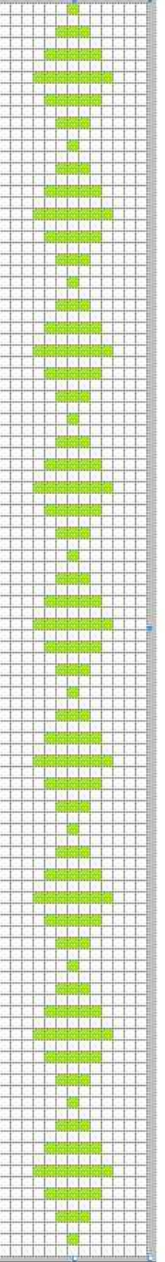

Prestring 145 (145, 169, 169, 193, 193, 217) beads.

With small hook, chain 14, sc in second ch from hook and in each rem ch—13 sc, turn.

Choose the graph for the size you are making. Ch 1 at the beginning of each new row. Each white block indicates a single crochet. Each green block indicates a bead single crochet (see special instructions for bead single crochet).

After completing the final row, do not cut off. Continue to the Bodice Back instructions.

Bodice Finishing Using yarn needle or crochet hook, seam the sides of the entire Bodice, including waistband, and seam Shoulders across 14 sts on each side.

Skirting

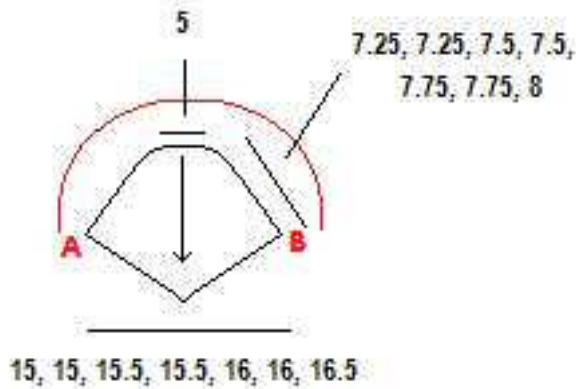

Some of the rows of the lace skirting and sleeves start with a chain 3. Note that I have elected to do a chain 2 at the beginning of those rows instead. It is just a personal preference. It works better for me to have a chain 2. And, if you feel that the chain 3 looks cumbersome, please try a chain 2 instead.

Finishing With yarn needle, set in sleeves by folding the sleeve in half, lengthwise, centering the fold and seaming the first row of the sleeve to the shoulder seam then seaming points A and B to the side seam. It doesn't really matter which side of the sleeve you decide is the right side as long as you choose the same "right side" for both sleeves.

Neckline Pre-string 94 beads. With small hook, join yarn with sl st at either shoulder seam, ch 1, sc evenly around entire neckline, sl st to first sc. Ch 1, work Bsc in each sc around front of neckline, skipping sts at bottom of neckline where necessary to form a point, and regular sc around back of neckline, sl st to first sc. Ch 1, sc around entire neckline, skipping sts at bottom of neckline where necessary, sl st to first sc, cut off. Weave in all ends carefully.
